

September 23, 2013

We are delighted to hear that you plan to join us at the 2013 Values Voter Summit (VVS) in Washington, D.C. October 11-13. We received your registration payment. We are excited to host another motivating and educational summit for conservatives across America. Thank you for recognizing the importance of active Christian citizenship and for your willingness to stand with us for traditional, Biblical, family values.

James Madison, the Father of the United States Constitution said, "We have staked the whole future of American civilization, not upon the power of government far from it. We have staked the future of all our political institutions upon the capacity of mankind for self-government: upon the capacity of each and all of us to govern ourselves, to control ourselves, to sustain ourselves according to the Ten Commandments of God." Please pray with us that VVS will help equip families, churches, and communities across the United States to be active citizens that glorify God in the public square.

Thanks again for joining us as together we stand for faith, family and freedom. We look forward to seeing you in October!

Sincerely,

Tony Perkins  
President
